# BUILDING A LEGACY

I can't help but praise God as I look back on the incredible journey of the last 56 years. His faithfulness has been overwhelming, and I am so grateful for all He has done.

When God called me to step into television ministry in the year 2000, I knew it was a divine assignment to build a platform for spreading the true gospel. The vision was crystal clear: to reach people far and deep with the message of God's unconditional love and grace. With your incredible support over the past 24 years, we've seen millions of lives impacted and transformed by the Gospel Truth around the globe.

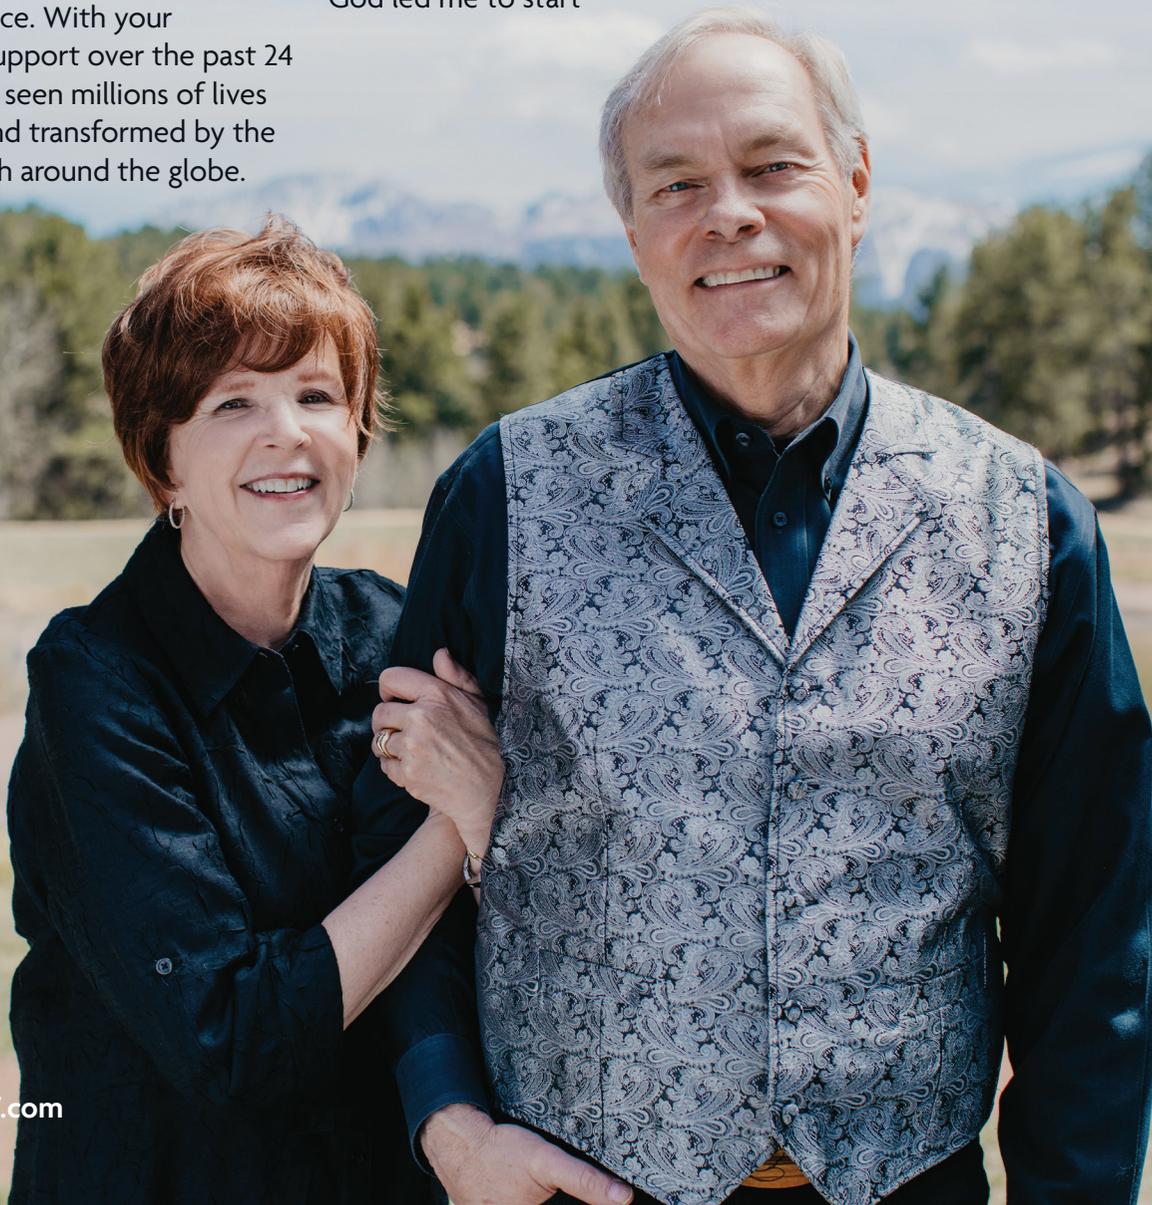

And now a new season is upon us. I feel compelled to share with you what the Lord has laid on my heart.

## A New Season of Impact

After more than five decades in ministry, I believe the best is yet to come. It is crucial for me to ensure that the legacy we have built continues to thrive for generations to come.

As many of you know, back in 1994 God led me to start

Charis Bible College—a decision that has borne tremendous fruit. With your partnership, more than 14,000 students have graduated from our main campus in Woodland Park and numerous extension schools worldwide. The flood of testimonies pouring in across the continents of lives transformed, miracles witnessed, and healings experienced are unmistakable evidence of the life-changing power of God's

Word taught through Charis Bible College across the nations.

As we look forward, I am thankful to God for placing Mike and Carrie Pickett alongside me. I believe they are divinely appointed to help lead our ministry onward to even greater victories when I pass the mantle to them.

But God has more in store. A year ago, He impressed upon my heart the urgency of establishing an independent network—a place where the gospel can be shared freely, and without compromise. There have been challenges by some of the networks that air our Gospel Truth program to influence what I say. In a culture increasingly hostile to biblical truth, we are reminded of 2 Timothy 4:3-4, where Paul warns of a time when people will turn away from sound doctrine. Now, more than ever, we must protect our right to proclaim the gospel boldly and ensure that our children and future generations will be grounded in God's Word.

Today, I am more than excited to introduce to you: The Gospel Truth Network (GTN).

### **The Gospel Truth Network**

GTN is designed as an independent live channel for the entire family, broadcast via dish and satellite, along with our own internet-based VOD platform, all with the singular purpose of spreading the true gospel as far and deep as possible.

The past few months have been filled with intense preparation for the GTN launch this September. The urgency in my heart stems from a strong conviction that God

is calling us to act swiftly and seize this opportunity without delay. I firmly believe that He has already equipped us with everything we need to make GTN a reality.

When God first spoke to me about establishing this network, He also revealed that I already had the team for it right here in my ministry. I approached Robert and Elizabeth Muren, asking them to step into leadership roles as GTN visionaries.

It is truly remarkable to witness

## **“In the past three months we have experienced an outpouring of creativity, innovation and productivity..”**

how God not only gives the vision but also provides for every aspect of its fulfillment. In the past three months, we have witnessed an outpouring of creativity, innovation, and productivity unlike anything I've ever seen. Thanks to the talents and dedication of our teams, we have developed a diverse range of family-oriented programs rooted in the uncompromising truth of God's Word.

### **A First Glimpse**

In this magazine, I invite you, dear friend, to take a first glimpse at what GTN has in store. Consider the impact of just one TV show over the years—The Gospel Truth, a simple half-hour program where I teach the Word directly to the camera in my Texan accent. It's

been miraculous! Now, imagine what we can achieve together with round-the-clock original programming tailored for diverse audiences of all ages, filled with the same life-transforming revelation from God's Word. Our focus is on producing excellent, unique, and anointed content that will shine brightly as a beacon of truth in these difficult times.

We encourage you to scan the QR codes in this magazine to preview our new offerings and witness the impact of this initiative firsthand.

Your ideas and feedback are invaluable to us as we strive to create programs that truly resonate with you and your family.

Thank you for your ongoing partnership. With your support, we can spread the message of God's unconditional love and grace to countless lives around the world.

# PREMIERE SHOWCASE

## *New and Original Shows*

We are excited to share the amazing things God is doing at GTN! From the moment God spoke to Andrew, our mission has been clear: to create original, excellent, and anointed content for every member of your family.

In a world filled with distractions that lead us away from God's truth, we see the urgent need for programming that uplifts and strengthens faith. As Deuteronomy 6:6-7 reminds us, "And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up." Our goal is to equip families with resources that inspire and facilitate vital conversations, guiding you 24/7 on your spiritual journey.

Our diverse array of shows speaks to every stage of life. For children, *Let's Talk* empowers young girls with biblical wisdom, while *The Insider* challenges teens to deepen their knowledge of God. *Grace and Faith Today* and *Charis Unplugged* inspire young adults through powerful testimonies, and programs like *Andrew's Classics* and *Life Foundations* offer essential

truths for adults seeking a deeper relationship with God. Additionally, Billy Epperhart's *Kingdom Wealth* and *Run the Race* guide you toward a life of purpose and prosperity. Each program serves as a vital tool for nurturing spiritual growth, encouraging meaningful conversations, and strengthening faith—a true family affair.

We are especially passionate about reaching younger generations, who face significant challenges in a media landscape often devoid of substance. With 85% of Christians making the choice to follow Christ as children, we are committed to creating dynamic content that instills a strong foundation of faith and values. As we empower parents and grandparents to teach the next generation about God's unconditional love and grace, we reclaim the narrative of our times and inspire audiences of all ages.

Thank you for being an essential part of the GTN family. Your partnership is crucial as we spread this message of love and grace, touching lives across generations and reaching a world in desperate need of the Gospel's truth. We are honored to be part of your journey and look forward to the incredible moments ahead!
