A Message from Andrew and Jamie

Dear Partners and Friends,

As Jamie and I reflect on 2024, we're overwhelmed by all that God has done. We often laugh that if we'd known how eventful the year would be, we might've braced ourselves a little more! But looking back, all we can say is, **Thank You, Jesus—and thank you, partners!** The Lord has been faithful at every turn, and we're so grateful.

The year 2024 was truly historic for both America and this ministry. We witnessed one of the greatest spiritual battles in our nation, followed by what I believe was the greatest political comeback in American history with President Trump's reelection. **God isn't finished with America!**

That's why we produced **Hope for the Future**, a documentary created by the Truth & Liberty branch of our ministry—to remind believers of that truth. It highlights the three prophetic words the Lord gave me and how the Third Great Awakening is unfolding before our eyes.

This year, we hosted powerful events with bold speakers like Charlie Kirk, Riley Gaines, Todd White, and Hobby Lobby's Steve Green—leaders who are standing strong for truth in this generation. We also launched the **Gospel Truth Network (GTN)**, a platform where we can share God's truth with future generations without compromise.

We celebrated **thirty years of Charis Bible College** and announced that **Mike and Carrie Pickett** will one day take the reins of this ministry. They're already far ahead of where Jamie and I were at their age, and we know God will continue to guide them. We also opened **Grace Dorm**, a beautiful new home on our Colorado campus for our female students. We're believing God to open Faith Dorm for our male students in 2025.

Jamie and I can't thank you enough for your part in all of this. Someday in heaven, I believe people you've never met will come up to you and thank you for your role in bringing them the Gospel. One scripture that keeps coming to mind is **Philippians 1:6**: *"Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ."*

The Philippians were the only church that consistently supported Paul financially. And just as Paul was confident that God would finish the good work He'd started in them, we trust He'll do the same for you.

We are praying for you and believing **2025 will be a year of blessing, boldness, and a greater harvest than ever before.** The best is yet to come!

We love you,

Andrew and Jamie Thommack

State of the Ministry Letter

Dear Partners,

What an extraordinary year 2024 was! We are truly entering a new era for Andrew Wommack Ministries and Charis Bible College, and I want to share a glimpse of what your partnership has made possible.

The Gospel Truth Network: A Legacy in the Making

This year, we took a huge leap forward in launching the **Gospel Truth Network** (GTN). GTN marks a new chapter for this ministry—a “new wineskin” that allows us to share the Gospel unhindered. The Murens took the helm of this massive endeavor, and the entire ministry rallied behind its successful launch. Andrew’s passion and energy were unmatched as he poured hundreds of additional hours into GTN so future generations can hear the pure Gospel.

Charis Bible College: A Legacy of Transformation

Charis Bible College continued expanding in 2024, with a new international campus launched in Asia. Here in Colorado, we opened **Grace Dorm**, a brand-new dormitory for female students, with **Faith Dorm** for male students set to open in 2025.

We also celebrated the 30th anniversary of Charis, marking a legacy of over 14,000 graduates equipped to spread God’s message of grace. This milestone stands as a testament to God’s faithfulness and the commitment of everyone who has invested in this ministry.

Planning for the Future: A Legacy of Leadership

During the 30th anniversary celebration, Andrew and Jamie shared their vision for the future, announcing that Mike and Carrie Pickett will one day oversee the ministry. The Picketts’ dedication and integrity are a great blessing, and we’re confident that God will continue preparing them for this crucial role.

Andrew’s Vision and Focus

As many of you know, Andrew made the decision to conclude his Gospel Truth Conferences (GTCs) this year. While this may raise some questions, I want to reassure you—Andrew is more involved in the ministry than ever. He is simply focusing on what God is calling him to do in this season, with GTN playing a major role in that shift. It’s exciting to see God’s hand guiding us into this new direction.

Stewarding Your Support

We’ve seen God’s faithfulness in every area of this ministry—including our finances. Despite major projects and expansions, we remain debt-free! That’s no small thing, and it’s a direct result of God’s provision through your generosity.

None of this would be possible without you. Together, we’re building something eternal—transformed lives. That’s what this ministry is all about. Thank you for helping us share God’s truth far into the future.

To God be the glory,
Billy Epperhart
CEO, Andrew Wommack Ministries

Milestones of 2024

The year 2024 marked a time of remarkable growth for AWM and Charis. Through God's grace and your unwavering support, lives were transformed, the Gospel reached farther, and believers were equipped to fulfill His purpose. We are deeply grateful for your partnership.

Here are just a few highlights of what God has accomplished through you:

A Strong Foundation for the Future

As this ministry continues to grow and reach more lives around the world, Andrew and Jamie are looking ahead with excitement and wisdom, trusting God to guide them in securing its future.

Proverbs 24:3–4 says,

“Through wisdom is an house builded; and by understanding it is established: And by knowledge shall the chambers be filled with all precious and pleasant riches.”

Just as a strong foundation is essential for a lasting legacy, Andrew and Jamie have spent years seeking the Lord’s direction for who will carry the ministry forward when the time for transition arrives. They firmly believe that Mike and Carrie Pickett are the ones God has chosen for this important role. In early September 2024 during the 30th anniversary celebration of Charis, Andrew announced that Mike and Carrie Pickett will be the next leaders of Andrew Wommack Ministries, Charis Bible College, and Gospel Truth Network.

Mike and Carrie have been faithfully serving alongside Andrew and Jamie for many years, bringing with them a wealth of experience and a shared heart for the vision of this ministry. With a background in missionary work in Russia, where they expanded AWM to reach more than a dozen Russian-speaking nations, Mike and Carrie are passionate about spreading the message of God’s grace. Their leadership has strengthened the ministry’s reach and effectiveness, impacting countless lives.

Andrew and Jamie’s commitment remains as strong as ever. Their hearts still burn with the mission of discipling the nations, and they continue to pour everything they have into the work the Lord has called them to do. In God’s perfect timing, the foundation for leadership transition will be set, ensuring that the ministry’s work will endure for generations to come.

We are deeply grateful for the journey that has brought us here and for faithful partners like you, whose support and prayers make everything we do possible. Together, we are building something that will last—a legacy of faith, hope, and love that will change lives for years to come.

Celebrating 30 Years of Charis

A Testament to God's Faithfulness

In 1994, Charis Bible College was founded from a simple step of faith. There was no elaborate blueprint—just a clear calling to make disciples. From that humble beginning, 14,471 graduates have been trained and sent out to share the Gospel around the world.

In September 2024, we gathered at the Woodland Park campus to celebrate three decades of God's faithfulness. The day was filled with powerful worship, warm fellowship, delicious food, and inspiring speakers—an unforgettable milestone in our journey.

Special guest Rick Renner spoke passionately about the crucial role of Charis in preparing the next generation to stand firm in these challenging times. He pointed out that many universities lead young minds away from their faith, while Charis equips believers to stand strong in the truth of God's Word. His reminder that "God is not scaring us; He's preparing us" emphasized the vital purpose Charis serves in equipping the body of Christ for the future.

As we look ahead, we know God has even greater things in store. More students will be equipped, more lives will be transformed, and the message of God's unconditional love and grace will continue reaching the nations.

GOSPEL TRUTH

NETWORK

Proclaiming Truth Without Compromise

The Urgency of Truth and a Bold Solution

The Gospel has always been at risk of being watered down or silenced, and as the world grows darker, the need to boldly proclaim truth has never been more urgent. For more than two decades, Andrew Wommack has fearlessly shared the uncompromised truth of the Gospel on major TV networks, reaching countless lives.

However, when two of those networks raised concerns about his message, Andrew realized how fragile those platforms were. With contracts allowing cancellation with just thirty days' notice, he knew his ability to share God's truth wasn't guaranteed—and he wasn't willing to take that risk.

Turning Vision into Reality

That's when the Gospel Truth Network (GTN) was born, with a mission to broadcast biblical truth without restriction for generations to come.

Thanks to our generous partners, we were able to leverage existing resources to transform part of the Charis parking garage into Studio C, equipped with cutting-edge technology. Studio B at AWM headquarters was also completed, along with dressing rooms, control rooms, and a sound booth. Today, seven original shows are filmed across five state-of-the-art sets.

GTN officially launched on September 30 and is now streaming on **GTNTV.com**, Apple TV, Roku, Fire TV, iOS, Android, and Comcast, reaching hearts and strengthening faith all over the world.

Grace Dorm Opened

A Place for Students to Grow

At Charis Bible College, students come to do more than just attend school—they seek a place to grow in faith, build lasting relationships, and deepen their understanding of God's Word. In 2024, that vision took a major step forward with the opening of Grace Dorm, our first-ever on-campus housing for female students.

After passing all inspections, Grace Dorm opened just in time for the 2024–25 school year, welcoming 35 students into a space specifically designed to support their spiritual and academic growth. And we're not stopping there—Faith Dorm, our all-male dorm, is set to open for the 2025–26 school year.

In addition to housing, Charis Kitchen began serving fresh, nourishing meals to students, ensuring they can fully focus on their studies without worrying about daily necessities.

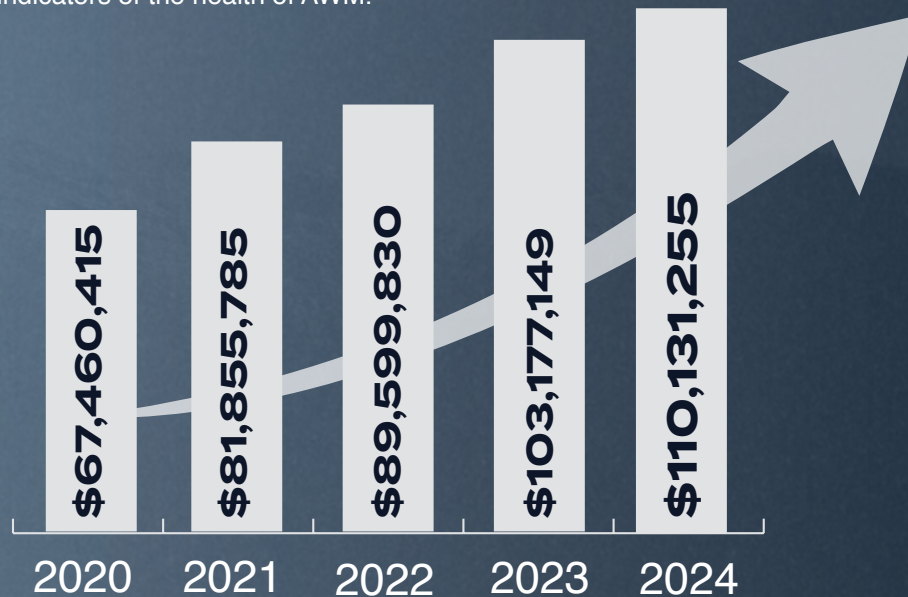

Far more than just buildings, these spaces provide an environment where students can thrive and prepare for the incredible plans God has for their lives. And thanks to the faithful support of partners like you, that vision is becoming a reality.

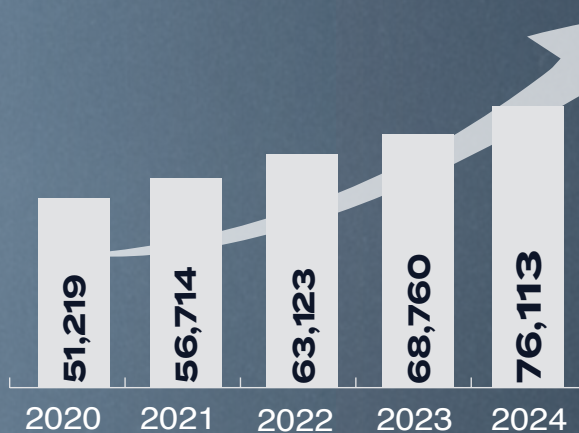

Partner support makes this growth, expansion, and discipleship possible!

Continued Growth in All Major Areas

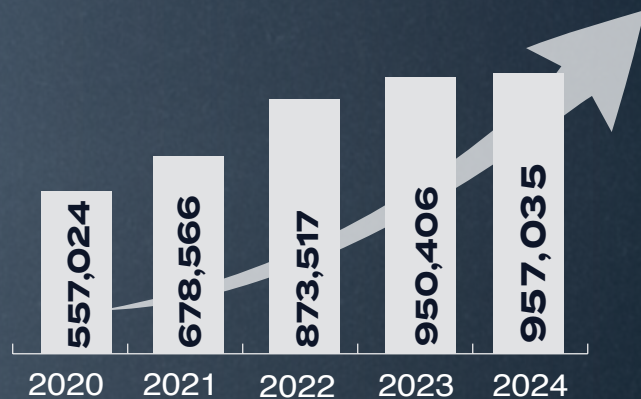

Andrew Wommack Ministries experienced another year of growth in 2024. We saw record-breaking revenue, pledge partnerships, and calls into our phone center. These are just a few key indicators of the health of AWM.

Teresa prayed with one of our phone ministers for her mother, Ramona, to wake from a coma. The next day, Ramona woke up!

Henrietta's daughter walked out at the age of nineteen and hadn't contacted her mother for twenty years. Henrietta prayed with our phone ministers for God to restore her family. Recently, Henrietta received a message from her daughter, along with a picture of her five grandchildren.

Tim called for prayer for a baby named Tucker, whose heart and lungs were failing. The doctors said he wouldn't survive. However, after Tim prayed with our phone minister, Tucker's condition drastically improved—his heart is now functioning perfectly, his lungs are improving, and doctors believe he'll soon be off the ventilator. They're calling him a miracle baby!

"Entering the dorm was a dream come true. Living here on campus is wonderful—whether I'm attending classes, reading my Bible on the mezzanine, walking around the ponds, or enjoying the full library of Andrew's books in the dorm lounge. I have so many opportunities to grow. I don't have to rush home or drive an hour to Colorado Springs. Living in the dorm helps me connect with people and build relationships through various activities. To the donors and partners, I want to say thank you and God bless you! Your generosity is a blessing to me, and will be to many others."

Constantly Growing, Constantly Improving

Charis continues to grow and improve, but two things will never change—our passion for discipling the nations and our commitment to the Bible as our only textbook.

In October, AWM celebrated the opening of a new office in Nairobi, Kenya. World Outreach categorizes Africa into seeding, watering, and reaping nations. Seeding nations have limited awareness of Andrew, watering nations know him somewhat, and reaping nations have known him for ten years or more, experiencing the life-changing message of God's love and grace. Kenya is a reaping nation, meaning its people are eager for the true Gospel. AWM and Charis are expanding their efforts to meet this growing hunger.

From mission trips to global gatherings, God is moving in extraordinary ways—and this is just the beginning!

A New Global Celebration

March 22, 2024, marked the debut of the Festival of Nations—a unique celebration of culture, faith, and unity. For the first time, our staff, students, and international Charis Bible College directors came together as one global family, united by a shared passion: advancing God’s work around the world.

From multilingual worship that filled the atmosphere with praise to powerful testimonies of lives transformed by the Gospel, every moment reminded us of the kingdom impact we’re all a part of.

While the cultural food bazaar and festivities offered vibrant flavors and experiences, the true heart of the event was something even greater—the unity, the conversations, and the renewed perspective on how God is at work across the nations. It was a powerful glimpse into the reach of the Gospel and how it’s changing lives, one person at a time.

Due to the overwhelming response, the Festival of Nations will now be an annual tradition. We look forward to gathering again in 2025 for another unforgettable experience.

Thank you to our dear partners and friends for your continued support in helping us take the Gospel as far and as deep as possible. Without you, none of these accomplishments would be possible. We pray that you are as deeply blessed by AWM as we are by you.

Cancer Scare Erased by Faith

“Since I found AWM last year, I’ve learned a lot about healing and the finished work of our Lord Jesus. Last month, I took my mom for a mammogram appointment. The doctor reported a growth in her breast, but I canceled that report right in front of the doctor. Last week they performed a biopsy, but they couldn’t find any growth at all! Praise our Lord who always heals!”

Hope Behind Bars

“Your ministry has helped so many in prison. My son took one of your Bible courses while in prison. Your teachings even helped others there because he shared the course with them, and they signed up too. You have been a blessing to them. Thank you! God bless you all.”

Freedom from Legalism

“I was stuck in legalistic ministries for many years, but that changed after reading Andrew’s book *Spirit, Soul & Body*! This wonderful scriptural message set me free from legalism, showing me that the more I’m transformed by God’s Word, the more I desire to be like Jesus. Thank you, AWM, for revealing the Scriptures to a lady who really needed to be set free from legalism!”
