A Message from Andrew and Jamie

Dear Partners and Friends,

Praise God, 2023 was an awesome year! Jamie and I are overwhelmed with gratitude for the incredible things God has done. Even with all the challenges in America and around the world, we rejoice over the supernatural moves that God is making.

This year marked the fifty-fifth anniversary since the Lord touched my life on March 23, 1968. The memory of that night is etched in my heart, and every step since then has been a testament to God's hand at work. Your support is crucial in making this ministry a reality, and we're endlessly thankful. Without friends like you, the impact we've seen wouldn't be possible.

In 2023, Charis Bible College grew a lot, with almost 1,200 main campus students enrolled for the 2023/24 school year. What's amazing is our numbers keep going up, while national trends have been going down. Even though we had some challenges with getting our building permits, we pressed on in faith and made great headway. Right now, construction continues to progress on two new dorms, which we expect to be ready for students in the 2024/25 school year.

Throughout the pages that follow, I hope you'll be encouraged as you read about all the good things happening in this ministry—all of our outreaches and conferences, the 5,000th unique episode of *The Gospel Truth* daily TV program, the growth of our prison ministry, and so much more. I'm really excited about the direction we're heading in.

Jamie and I appreciate you so much. You're the unsung heroes behind the scenes who are making this ministry possible. Thank you for standing with us through thick and thin to take the Gospel far and deep. We couldn't do all that we are doing without you.

And this I do for the gospel's sake, that I might be partaker thereof with you.

1 Corinthians 9:23

We love you and are praying for you,

Andrew and Jamie

State of the Ministry

Billy Epperhart

Chief Executive Officer, Andrew Wommack Ministries
and Charis Bible College

God was so good to us in 2023. As I reflect on the year and look forward to what God has in store for the ministry, I have to say what a real honor it is to be able to serve Andrew and Jamie Wommack. This year marked the anniversary of their fifty-fifth year in ministry, and I'm grateful to be here in the role that I'm in, building the kingdom of God.

In the remarkable journey that was 2023, the one word that summarizes our experience is simply wow. The accomplishments and growth we witnessed are truly extraordinary, and I am thrilled to share with you some of the highlights.

Financial Growth and Stewardship

In the realm of finances, I'm delighted to report that our revenue surged by 15%, reaching an astounding \$111 million in the U.S. alone. With international contributions, we approached \$130 million. Approximately five years ago, we celebrated breaking the \$62 million fiscal revenue mark. Now, just a few years later, we have nearly doubled that figure.

It's been an incredible manifestation of God's blessings. These financial milestones are not about numbers. The heart of our ministry remains

the same—we are here to see lives changed. The financial abundance just underscores the impact the body of Christ can have as we work together for the kingdom of God.

Legacy Giving Milestones

Our partners enabled us to achieve recordbreaking results in our Legacy Giving program, with pledges nearing \$130 million. This program really exemplifies the radical enthusiasm of our partnership community to further the Gospel beyond their lifetimes. They see the value of sowing into the future to get the Gospel as far and as deep as possible beyond their time on earth.

Charis Bible College

The heart of our ministry mission is reflected in the deep impact on students through Charis Bible College. The growth of Charis has been phenomenal, breaking enrollment records and reaching new heights. Our Charis Woodland Park student enrollment came in right around 1,200 students in fall 2023. Our global Charis student population grew to an impressive 7,900, a testament to the effect of our discipleship program.

Charis Expansion Progress

The development of student housing is an integral part of the vision to expand our main campus so we can minister to the whole person.

One of the significant challenges we faced in 2023 was obtaining the necessary building permits so we could begin construction on the new dormitories. After applying in February 2022, we faced significant delays and encountered a lot of red tape. However, through prayer and perseverance, we acquired the necessary permits, which allowed us to begin pouring concrete in August.

Learning from these experiences, we are now more prepared than ever. With city approval, we have engaged a new engineering firm, representing a big win that streamlines the city's involvement in our construction projects. This has not only paved the way for future endeavors but has also built bridges and partnerships with the city.

Partnership Growth

Our new-contact records shattered all expectations, thanks to the anointing on Andrew and his unparalleled ability to teach and preach. We welcomed over 11,000 new partners, a notable increase in our community of faithful supporters. Our partners' commitment to our mission has empowered us to achieve greater things this year and also overcome many challenges.

Looking ahead, we anticipate an even greater year of expansion in 2024. The ongoing campus development, the upcoming satellite network launch, and the various global outreach efforts we have in place signal a season of stretching out the cords of our tent. We are truly lengthening

our cords and strengthening our stakes, and I am excited about the phenomenal year that awaits us.

Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes.

Isaiah 54:2

In closing, I want to express my sincere thanks to each partner. Your support surpasses geographical distances, and I want you to know that you are impacting eternity. Together we are making a difference, and 2024 promises to be a year of even greater expansion and impact.

Thank you for all you are doing to help Andrew spread the Gospel all over the world.

We give thanks to God always for you all, making mention of you in our prayers; Remembering without ceasing your work of faith, and labour of love, and patience of hope in our Lord Jesus Christ, in the sight of God and our Father.

1 Thessalonians 1:2-3

In His service,

Billy Epperhart

Legacy

Maximize Your Impact: Leave a Lasting Legacy

Advancing the kingdom of God after one has passed on is the essence of legacy giving. End-of-life gifts empower donor assets to perpetuate the Gospel, leaving a lasting impact on the world beyond one's earthly life. Our Heritage Giving Community functions as a connective hub for Legacy Donors, fostering engagement and the pursuit of shared goals of supporting the Gospel of Jesus Christ.

Our tax-smart giving options, powered by FreeWill, offer four potent tools to make giving both impactful and tax efficient. This aids in advancing Andrew's mission of providing free resources, teachings, and outreach programs while facilitating intentional financial management.

Stock gifts

Appreciated stock is given for tax benefits, sidestepping capital gains taxes and allowing for a deduction based on its full market value.

Qualified charitable distributions (QCDs)

Funds are directly transferred from an IRA to Andrew Wommack Ministries, fulfilling the required minimum distribution without incurring taxable income.

Cryptocurrency gifts

Cryptocurrency is donated to minimize capital gains tax, with its fair market value being deducted on the tax return.

Donor-advised funds (DAFs)

Contributions to a DAF result in immediate tax deductions on the initial gift's market value. Capital gains taxes on donated assets are avoided, and nontaxable future gains are enjoyed. Grants to Andrew Wommack Ministries can be recommended at the donor's discretion.

Choosing tax-smart giving through FreeWill extends the reach of God's message of unconditional love and grace beyond the donor's lifetime, creating a lasting legacy that transforms lives for generations to come.

GLOBAL *Ministers* CONFERENCE 2023

Celebrating *40 years* of Ministering to Ministers

Fortieth Year of Ministering to Ministers

Our free global Ministers Conference hit its fortieth year in 2023! In October, we welcomed 1,725 ministers from around the world to The Auditorium in Woodland Park and offered live translation for our Spanish audience. This gathering was significantly larger than Andrew and Jamie's first conference in 1983 but continued its original theme of closeness and unity. The event was live-streamed to AWM offices in nearby countries, accumulating over 13,000 views! Andrew Wommack and other speakers shared uplifting messages, complemented by the heartfelt theatrical presentation *Overtured*. Ministers left equipped and inspired to continue to pursue their God-given callings!

Testimonies from Attendees:

"God orchestrated many divine connections that encouraged, inspired, and directed me to my next ministry step."

"I was a prayer minister at the event, and a gentleman in a wheelchair came up to me for prayer. He'd had a stroke that left him paralyzed on his left side. When I prayed over him and commanded healing, I encouraged him to give God the glory. I went on to the next person, and when I looked up, there he was, pushing his wheelchair out of The Auditorium!"

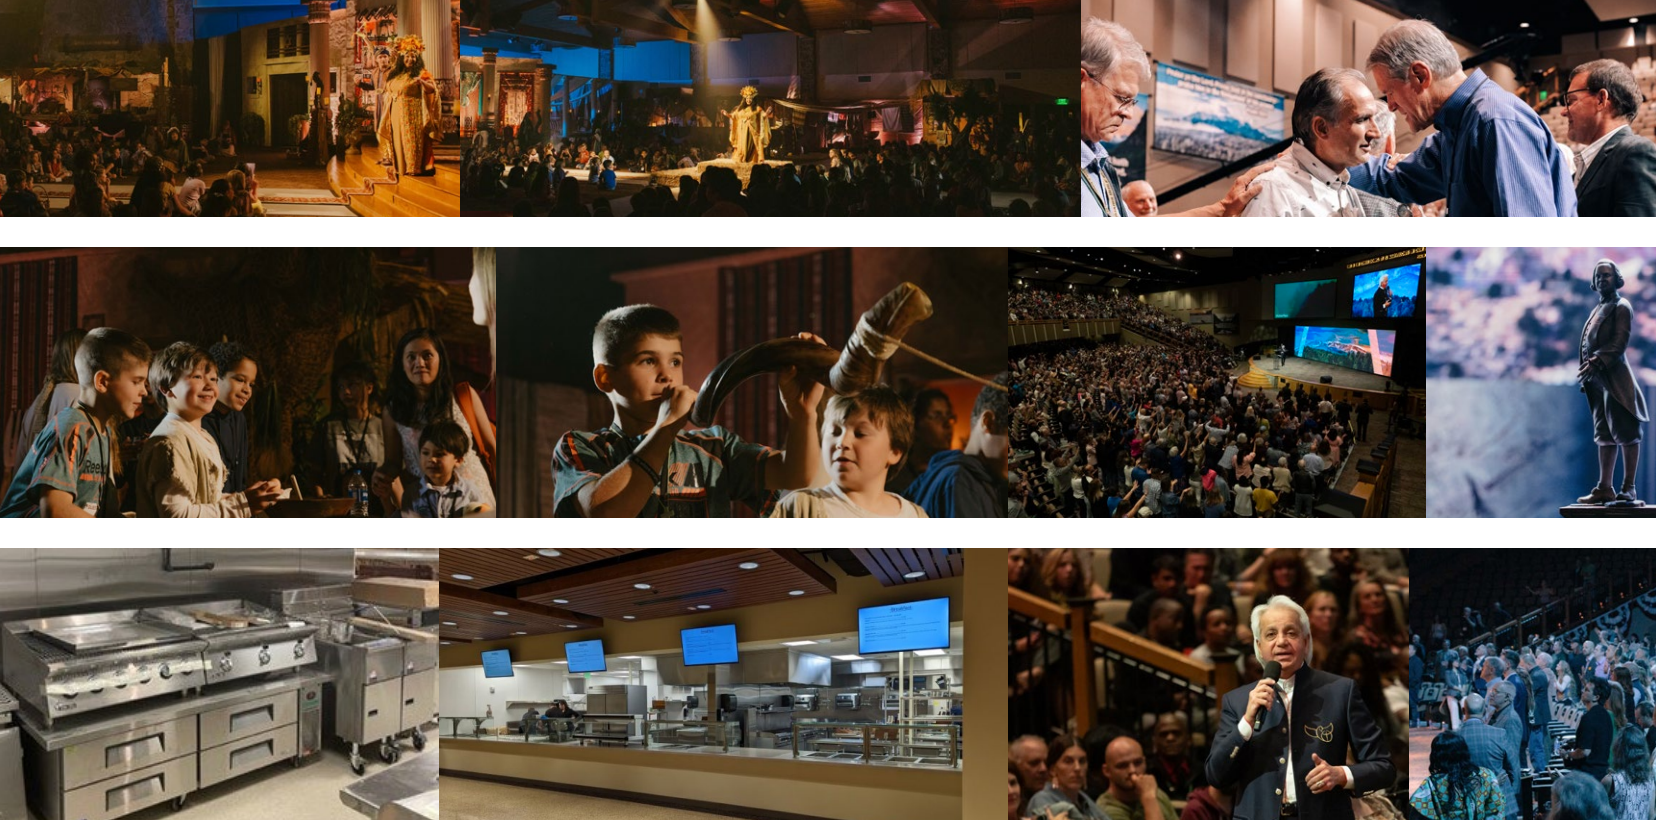

"My eyes of understanding have been enlightened to preach the full Gospel without holding anything back."

A Record Year

Our events hit new highs, and the energy was contagious. The *God with Us* musical reached peak attendance, touching 2,937 souls with the Gospel through song and drama.

Our Summer Family Bible Conference marked another delightful milestone with the premiere of *David: The Shepherd Warrior* during the children's program. Miracles unfolded at Healing Is Here with Benny Hinn, along with a generous \$2.1 million in conference offerings throughout the year. The 24,000 visitors we served at Woodland Park events are a testament to the lives being touched and hard work happening behind the scenes at AWM. What a year of miracles and God's overwhelming grace and provision!

New and Improved Conferences

To better serve the people who attend our events, we made many improvements. We added live and in-person Spanish translation at our Gospel Truth Conferences and global Ministers Conference, allowing Spanish speakers to tune into the messages with ease. We also made great use of our new Charis Kitchen! Our onsite visitors enjoyed convenient meals without having to leave campus and miss event sessions. At the core of every improvement is our commitment to serve our partners and guests with excellence.

Testimonies:

"The Ministers Conference was like being on a mission trip. There were so many daily supernatural encounters (a God dream, breakthrough, vision, flowing in the Holy Spirit). I had the opportunity to connect with ministers from Puerto Rico, Colombia, Mexico, Ohio, Illinois, Florida, Arizona, Colorado, Texas, and many other places."

Ministers Conference Attendee

"This is the first conference we have attended as a family. All three kids received the baptism of the Holy Spirit and two were water baptized. One of our kids said at the end that she didn't want to go home. (She had so much fun.) Thank you all for making this time special!"

Summer Family Bible Conference Attendee

"I received healing in my shoulder where I had nerve damage due to shingles and coronavirus. I received peace on a different level that was just unexplainable. Every day I received golden nuggets through the teaching and Andrew's ministry. Thank you for all of it."

Ministering Through Theatrical Productions

We're attracting many to the Gospel through theatrical performances! We are thrilled by the high turnout for our shows and the impact they make on people's lives. In 2023, we put on nine original performances that drew 19,628 attendees! We also expanded our reach by including mini-productions at every home event. The intent behind each life-changing show is to weave the Gospel into the heart of each audience member. At AWM, ministry isn't confined to the pulpit; it's also demonstrated on the theatrical stage!

New Productions

Overtured premiered at the 2023 Truth & Liberty Coalition Conference and was also performed at the global Ministers Conference and Women Arise. This musical powerfully promotes the sanctity of human life and portrays stories of women facing abortion struggles who find redemption through the Gospel.

My abortion was a dark secret that I shared with no one. Through the message of this performance, I was able to face it, grieve, and accept God's love and forgiveness for it. I have found healing.

Ultimate Faith

The story of the centurion and the servant Jesus healed comes to life in *Ultimate Faith*, a new production that debuted both at the Men's Advance and Healing Is Here. This three-dimensional portrayal of the powerful accounts from Matthew 8 and Luke 7 is designed to motivate faith and inspire miracles.

We Will Not Bow Down

This musical activates bold faith and retells the biblical story of Shadrach, Meshach, and Abednego when they refused to bow before the idol of the king. When faced with the most terrible death, they openly demonstrated their trust in God regardless of the consequences.

Charis Master Plan Progress: Reaching More People

These buildings are just a tool; this is not our focus. I used to make a lot of stuff with wood. I could have done it all with just a pocketknife, but I had all kinds of great equipment to use. You can do so much more so much better when you have the tools. And that's what these buildings are—tools to reach people.

Charting New Horizons: Transforming Christian Broadcasting with the Gospel Truth Network

In 2023, Andrew's vision for a television satellite network grew significantly. Upon realizing the vulnerability of his content to external network censorship, Andrew decided to prioritize the launch of the Gospel Truth Network (GTN). Set to debut in the fall of 2024, this 24-hour network will enable Andrew Wommack Ministries to create godly programming—including music, films, and TV series—tailored to a broader audience than ever before, without any restrictions.

In his own words, Andrew shares, *"This network will be a legacy move that will enable Charis Bible College and our related ministries to continue even after I'm gone. I feel an urgency to get this started by the end of summer 2024. We are moving full steam ahead! We haven't been down this road before, and we need God's supernatural wisdom and guidance to get this done."*

As we move forward in faith, we are excited to see the impact the Gospel Truth Network will have in 2024 and beyond!

Fifty-Five Years of Ministry

"My own personal testimony is that when I was eighteen years old, I sought to know what God's will was for my life, and I really focused on figuring out what God wanted me to do. **Then I had that experience with the Lord on March 23, 1968, where He revealed His heart to me, and immediately things began to change.** I got an insatiable hunger for the Word of God, and through studying the Word, I came to realize the true nature and character of God. And it's my personal testimony that everything good that God has done in my life has come out of knowing Him. I have seen my son raised from the dead and other people raised from the dead. I've seen God miraculously supply needs, keep me from being up and down emotionally like a yo-yo, and so much more! **I've had a lot of great things happen in my life, and all of it really began with knowing God."**

—Andrew Wommack

And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.

Trials and Triumphs

Bold Choices and Vietnam:

In 1968, Andrew quit college. He was later drafted and then deployed to Vietnam in 1969. After months of meditating on God's Word there, he returned home no longer a Baptist.

Faithful Service:

Andrew served as a pastor in Seagoville, TX; Childress, TX; and Pritchett, CO, before launching into his full-time traveling ministry in 1980.

Financial Struggles:

Andrew's initial belief that a regular job conflicted with ministry led to financial hardship and, at times, even extreme hunger.

Believing in Miracles:

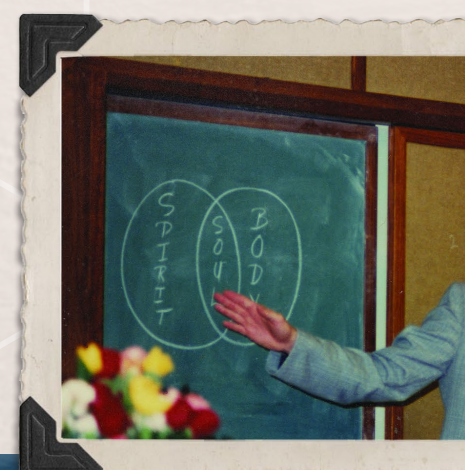

Andrew's faith led him to receive a new Bible after six months of unwavering belief.

Shipping Products:

Early in his ministry, Andrew duplicated his cassette tapes using a shoebox and tape recorder. Since then, teams have created a ninety-day inventory system.

Charis Growth:

Founded in 1994 in a former police station off Robinson Street in Colorado Springs, Charis Bible College has flourished into an international school dedicated to discipling nations. In 2023, Charis celebrated twenty-five years of

Phenomenal Growth and Changed Lives

"I discovered Andrew Wommack in July 2019 through his teaching *A Better Way to Pray*. I have come to realize that I don't need to know how the seed works; I just need to plant it. My life has been effortlessly transformed through listening to and reading the Word, and I mean all-around transformation. Praise God. Thank you, Andrew Wommack Ministries and partners!!"

Thank You, Partners!

Without you, there is no “us”! You play a vital role in every impacted heart and every transformed life. Because of your support, we can reach countless lives with the nearly-too-good-to-be-true news of God’s unconditional love and grace. **From the bottom of our hearts, thank you for helping us touch so many lives—including Kimberly’s:**

My father became very ill in December 2022, and his illness persisted for months, making us concerned that he would die. In February 2023, a good friend of the family sent us a link to Andrew Wommack’s *You’ve Already Got It!* teaching series.

Wow! I never knew that I already had it! I was raised in a nondenominational church, but I never knew about faith for healing or about the authority that Jesus has given to everyone who believes in Him.

My family and I listened to several of Andrew’s video series and podcasts online and then drove half way across the country at the end of June to attend the Summer Family Bible Conference. That was a wonderful experience, especially for my teenagers.

And now, in December 2023, I can report that my father is healed from his illness. Praise the Lord! The healing was gradual, but we give the glory to God, and we are also thankful to be learning about faith.

This testimony is just one of the many made possible because of you. Your support is making a tremendous difference. Thank you for being such a blessing to us and to the world!

We love you,

Andrew Wommack Ministries and Charis Bible College

Thank you, partners and friends, for the miraculous work you have helped us accomplish in 2023! Enjoy these heartfelt messages from people directly impacted through your giving:

God bless you all.**"*

—Kevin M.

I am on fire for God, and **my family is getting saved!** Thank you for your faithfulness."*
